Presidents Corner by Bob Eades

Well, here we are with a new year ahead of us and I'm looking forward to our Charter Schedule, meetings and other functions for 2020. The board has put together a really fun and diverse schedule for this year's trips. We have trips on the Pacific Dawn, Fortune, Spitfire and a new boat, the Outer Limits on which our next trip is scheduled out of Seaforth Sportfishing in San Diego. This trip is headed down to the Colonel Area of Baja Mexico. This trip will be targeting Yellowtail, Ling Cod and Rockfish. I've been keeping up with the reports from that area, and there's been very little boat pressure so far. The few boats that have hit the zone are coming in with pretty good to limit style counts on all of the targeted species. The 1 ½ Day Outer Limits trip departs Seaforth Sportfishing in San Diego on Friday February 7th at 7PM and returns early Sunday morning on the 9th. The price is only \$ 325.00 per person (Paid Club Member) with an open galley as meals are not included in the trip price. Passports are Required on this trip and you won't be able to board the boat without one. Visa's if required, and Mexican Fishing Permits are an additional cost and will be collected on the boat. Once we have all of our trips confirmed we will send out a revised Trip Schedule, Trip Reservation Form and ISWAC 2020 Calendar. By the way, if you haven't done so yet, don't forget to pay your club membership dues at the next meeting.

That's it for now, I look forward to seeing everybody at our next club meeting on February 5th.

Spitfire Twilight Fish Report – Bob Eades

We had our first trip of 2020 on the Spitfire out of Marina Del Rey Sportfishing. This was a twilight trip targeting Sand Bass, Calico Bass and Sculpin. The weather was nice with a slight cold breeze all evening. Fishing was pretty good, everybody who wanted to, took home a nice bag of fillets. First place jackpot went to a guest with second place going to **Mario Flotte** with a nice Sand Bass. As usual the Boat was clean, and crew were accommodating.
