***Presidents Corner by Tom Fitzgerald***

Greetings Salt Water Anglers

Wow! It's hard to believe it is already autumn! I hope you've been able to take advantage of some of the phenomenal fishing we have been experiencing recently. I think that there is still some room on our upcoming trips due to some cancellations. Contact **Steve Berczik** for more information. Just a reminder that if you book a trip out of San Diego and want to use a processor, you need to make reservations ahead of time. I was on a trip on the Searcher a couple of weeks ago and several of the anglers who did not have reservations were told by the processors that they were all booked. Fortunately, Art Taylor stepped in and made arrangements with Fisherman's Processing and everyone who wanted their fish processed was able to have it done.

We are still in the process of booking charters for next year. If you have a boat you would like us to consider, please feel free to let any of the board members know. You are also welcome to attend a board meeting to share your thoughts. Our charter schedule may look a little different next year due to the new rock fish regulations.

Our next meeting is **October 5th** at **Brandon's** located at **370 N. Mountain Ave.** in **Upland**. The meeting starts at **7:00 pm**. Many of us come early to have dinner and socialize before the meeting. Newcomers are always welcome.

We did not have a club trip in September so there is no trip report. Our next trip is the weekend after our upcoming meeting.

Our guest speaker for October is Ben Secrest from Accurate. Ben has spoken to the club several times and is always entertaining and informative. He will be bringing product to sell and some items for the raffle. I have included his bio below.

*Ben is a California native and learned to fish from his father at an early age. He spent his youth fishing freshwater every weekend and graduated into saltwater fishing as a teenager. Alongside fishing ben has surfed since he was in his teens he always enjoys spending time on the water.*

*Working in the fishing industry for over 35 years has given him the opportunity to fish globally.*

*He has worked at AFTCO, Shimano and for the last 15 years at Accurate Fishing as Marketing Manager.*

I am also including a list of our future speakers.
